

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Two of Middlebury's oldest residents, Miss Mary Whitney, aged 84, and Miss Mary Marshall, aged nearly 90, died Jan. 8.

Olin Merrill of Enosburg Falls has been quite ill following a sudden attack of acute indigestion while in the postoffice Jan. 10.

Mrs. J. Smith of Craftsbury knit a Red Cross sweater on Friday and Saturday of last week, completing the garment in the two days.

Col. L. F. Abbott of Bennington broke one arm Jan. 10 as he was trying to catch a trolley car and slipped and fell on an embankment. He is 79 years old.

Sylvester Stevens of Enosburg Falls had one foot amputated Jan. 9. He froze it Dec. 16 and gangrene set in. His condition is hopeful, although he is 77 years old.

C. L. Hammond was seriously injured at his home in Orwell recently when he missed his footing, falling backwards downstairs, receiving a deep gash on his head and injuring his back.

A special train of 14 cars carrying a large detachment of Polish troops passed through Rutland Wednesday night over the Rutland railroad. The soldiers were said to compose a regiment south-bound from Canada.

William Mattison, an employee of a lumber company at Bennington, is suffering from an injury received when a carbooth slipped and threw the man in the path of the log, which rolled upon him. As one of his legs is numb, it is feared his spine is injured.

The three-story G. A. R. building in North Troy was totally destroyed by fire Jan. 10, with a loss of \$15,000. The building was built 30 years ago and the G. A. R. and Woman's Relief corps held their meetings and kept their relics and mementoes of the Civil war, all of which were lost.

Charles Petrie shot a rare bird in Island Pond last week. It was a handsome specimen and belonged to the gull family. The plumage was a rich deep black on back, neck and wings, and a pure white underneath. The bill was long, round and jet black. The feet were small and webbed and dark in color. It was a specimen not often seen here.

Mrs. J. Wesley Rafter of St. Albans has received word that her brother, John Scott, of the 3d Canadian railway troops, has been wounded in action in France. His chest was injured and his spine fractured, causing temporary paralysis. Mr. Scott was sent from the front to King George's hospital in London.

Raymond Shorkey, aged 18 years, had a narrow escape from drowning in Otter creek in Vergennes. His father was cutting ice there and while he was alone the boy fell in. For 15 minutes he struggled and then was able to pull himself out by the branches of a tree toward which the current carried him. The water was 10 feet deep at that point and two drownings have occurred there this season.

Appointments to Naval Academy.

A competitive examination will be held at Norwich university, Northfield, Vt., on Wednesday, Feb. 6, 1918, at 1 o'clock p. m., for those desiring to enter the naval academy at Annapolis.

Information touching any matter connected with these appointments will be cheerfully given by addressing me at Washington, D. C. Sen. Carroll S. Page.

WIFE WAS REFUSED.

Not Allowed to Testify for Rev. Clarence H. Waldron.

Brattleboro, Jan. 14.—Judge Harland B. Howe in the United States court here Saturday refused to allow Mrs. Grace Waldron to testify in behalf of her husband, Rev. Clarence H. Waldron of Windsor, who is on trial for alleged sedition. Attorney Robert C. Bacon for the defense said he understood the rule to be that if the prosecution made no objection she could testify. District Attorney V. A. Bullard made no objection, but the court held that there was no rule in the federal court that would permit her to be heard.

Miss Hortense Pruden of Melrose, Mass., a Pentecostal missionary worker who has been at Waldron's home since last fall, and Mrs. Christine Gibson of East Providence, R. I., a Pentecostal minister who has held services in Windsor, both testified that they were at Waldron's home when Austin W. Burr was "visited by the Holy Spirit and fell on the floor." This was the occasion, Burr testified previously, that Waldron told him it was better for a man to be imprisoned or punished any other way than to be a Pentecostal, sometimes called Holy Rollers, and said that when persons at their meetings became unconscious of their surroundings and conscious only of God they sometimes fell on the floor and rolled about.

The jury was dismissed until this afternoon, when the arguments will be made. Judge Howe said he would charge the jury Tuesday morning.

You Should Choose Your Wife.

Dr. Frank Crane, the well known editorial writer, says in the December American Magazine in an article called "If I Were 21":

"In choosing a wife I would insist on three qualifications:

"1. She should be healthy. It is all well enough to admire an invalid, respect and adore her, but a healthy, live man needs a healthy woman for his companion, if he would save himself a thousand ills.

"2. She should have good common sense. No matter how pretty and charming a fool may be, and some of them are wonderfully winning, it does not pay to marry her. Someone has said that pretty women with no sense are like a certain cheap automobile; they are all right to run around with, but you don't want to own one.

"3. She should be cheerful. A sunny, brave, bright disposition is a wife's best dowry.

"As to money, or station in life, or cleverness, or good looks, they should not enter at all into the matter. If I could find a girl, healthy, sensible and cheerful, and if I loved her, I'd marry her, if I were twenty-one."

Worms—A Danger to Children

No gain in a child's health and strength is possible until all worms are removed. Signs of worms are: Damaged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional wringings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red spots sticking out on tongue, starting during sleep, slow fever. If you see any of these symptoms in your child, don't lose another minute, but get a bottle of Dr. True's Elixir, the Family Laxative and Worm Expeller.

Mrs. Norrat of Houston, Texas, writes: "I would not be without Dr. True's Elixir in my home." No better laxative made for young or old. At all dealers, 40c, 60c and \$1.00. Write to us for further information.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

Keeping Farm Accounts.

In last week's report, it was noted that there was a supply of the farm account book at this office that could be had at cost, which is 15 cents each. About 80 of these books were distributed last year, the year of which will be up about April 1. All of the men whom I have seen who kept this book through the past year are very much pleased with it and the results that it gets for them. It would seem that this was guarantee enough of its worth so that many more will wish to keep accounts of the farm business this year.

These books are very simple and easy to keep. A few minutes each night spent in setting down the day's transactions in their proper places in the book will give you at the end of the year a comprehensive statement of the condition of the farm business for the year and will show you where to turn to make an improvement for the next year.

The county agent is ready to help you get the book started, if you will send your name in to the office. Possibly many of you will find the book handy to refer to in making out your income tax statement for next year.
